FURNITURE & DECORATION

Elegant & Affordable

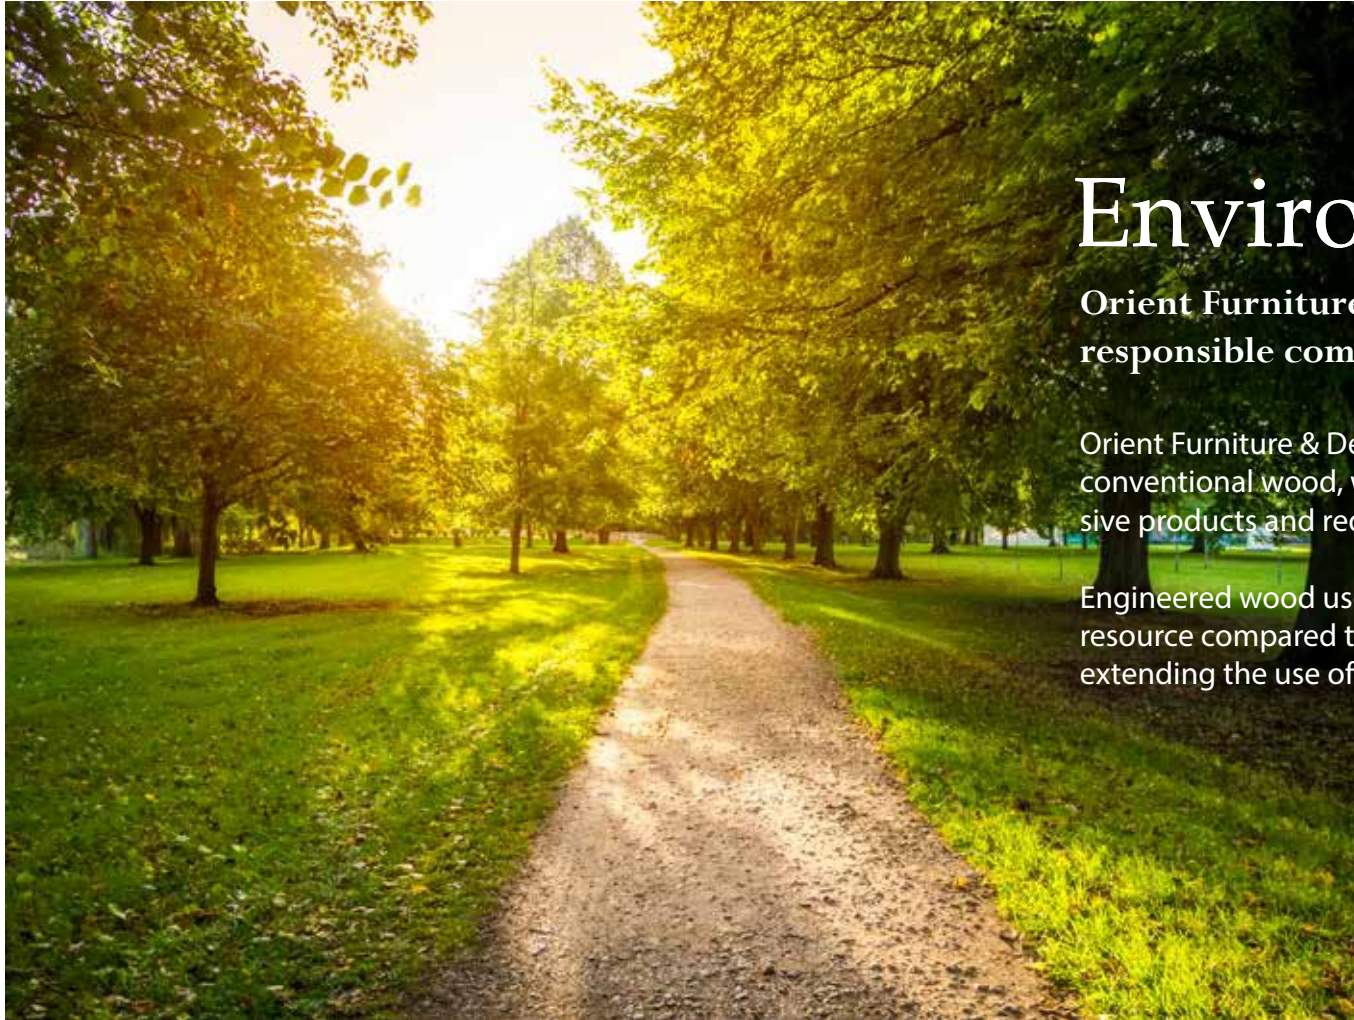

FURNITURE & DECORATION FOR
HOMES | OFFICES | PROJECTS

The specialized manufacturer furniture
& decoration works
with high quality engineering designs

Orient Furniture & Decoration was established in 2020, and has a proven track record of not only meeting but exceeding expectations of our clients. We attribute our growth to years of in-depth research, own production units and a highly efficient marketing channel

LIVING BIG IN SMALL SPACE

Environment

Orient Furniture & Decoration - An environmentally responsible company

Orient Furniture & Decoration uses engineered wood rather than conventional wood, which results in higher-density & carbon-intensive products and reduces our net carbon footprint drastically.

Engineered wood uses one-third of the amount of solid hardwood resource compared to solid timber, thereby preserving trees by extending the use of the forest resource
